

COSMIC SCULPTURE

Science Fiction & Fantasy Anthology

The EPPIE 2004 Best Anthology Winner, COSMIC SCULPTURE includes fourteen science fiction and fantasy stories plus the science fiction novel, DRAGON'S DEN. Read tales of Mars, Atlantis, dragons, faeries, vampires, reincarnation, and more. Then inside the Dragon's Den on the isolated icy world of T'Panabar, martial arts master Raza learns there is trouble brewing when his father arrives with a young woman from a powerful political family. Together they need to find proof of an illegal mining operation. With treachery afoot at every turn and the young woman a constant distraction, Raza must deal with the powerful Eshkalle dragons incarnate, of which he is one.
