Seven years ago Phoebe promised her Cherokee grandmother that she would hold onto the farm until she could solve this riddle: “Take care of the land and the land will take care of you.” Now widowed, she fights her cruel brother-in-law Jack for possession of her home near Oklahoma City. Just as she is ready to give up, a sexy and mysterious Native American martial artist named Alex offers to help her. Who is Alex and what is his connection to Jack? Why does Jack want the farm? Why has her grandmother’s ghost appeared after all these years? Instead of one riddle to solve, Phoebe now has a fistful of them.
